Important Notice

Bids for this Sale will be accepted ONLY on the terms as printed in this catalog. If you are bidding for the first time or if you are not acquainted with my Sale Terms, PLEASE BE SURE TO READ THE TERMS BEFORE BIDDING.

More than fifteen hundred catalogs of this Sale are being distributed. Therefore, in order to serve most satisfactorily so many clients, a uniform service or method of sale must be strictly adhered to.

The terms and methods of Sale used by me have been perfected after more than twenty-five years of successful experience. And while I know that it is humanly impossible to at all times please everyone, but the fact that my Sales are so widely and extensively patronized throughout these many years, is more than sufficient evidence that these terms and methods of sale are approved by the collectors of the country and that they are fair, reasonable and consistent with good business.

So please bear in mind that positively no deviations from the terms of sale as printed in this catalog will be made for anyone.

Every bid received is executed by me just as faithfully as if you had yourself been present at the sale. You can help me give you better service if you will please mail your bids now.

Very cordially,

It is to YOUR ADVANTAGE to Mail Your Bids Early!

To Avoid Misunderstanding Please Read These Terms of Sale Before Bidding

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer \$1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

NOTICE TO NEW BIDDERS

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent of their bids, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

Remittance should be made promptly in any way most convenient to yourself.

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, CASH WITH ORDER. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Tuesday, May 6, 1930.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

The size of Coins and Medals in this Catalogue is given by Millimeters.
